Introduction

The BB-DIN-ICR32 is a metal DIN clip designed for mounting Advantech cellular routers on a standard DIN rail. It is compatible with the ICR-2000, ICR-2400, ICR-2500, ICR-2600, ICR-3200, ICR-4100, ICR-4200 and ICR-4400 series, with two clips required per device for the ICR-4400 series. Its robust metal construction ensures a secure and space-saving installation in control cabinets and other industrial enclosures.
